

THE UMSTEAD
HOTEL AND SPA

Jim Beley, General Manager

To the Administrative Staff at UNC-TV:

The Umstead Hotel and our employees have enjoyed a rewarding relationship with UNC-TV and their dedicated staff members.

I firmly believe Public Television in North Carolina enriches our lives by educating us all on our heritage, along with its solid entertainment value.

Our affiliation with UNC-TV has assisted the hotel in establishing our community outreach and contributions to the region we serves.

Best Regards,
